

BASIC COURSE FOR BOOTLEGGERS

*I'm standing in my tiny boat
Looking at the horizon
The boat I'm waiting for is already appearing.
My eyes get wet and it is not
from the seawind.
(Pirtu-Eemeli 1930)*

We wish you welcome in the fascinating world of 'moonshine' ('pirtu' in Finnish), the traditional Finnish spirits! Oulu Safarit has created a new way of diving into our honorable history back in the 1920's and 30's. This is about a humorous and "learning by doing" type of game. Participants will be competing in teams and in tasks dealing with bootlegging. These tasks will sweep you away with excitement – you will be chased by Estonian tradesmen, then the customs guys – and even a boghole will play a role as a hiding place for a bottle...

For starters, all the participants will dress up accordingly. The old "bootlegging spirit" has to be let out. The best participants will be rewarded.
