

FINNISH PENTATHLON - COMPETITIONS FILLED WITH TRADITIONS

This program consists of a Pentathlon, team play and cheerful time together and competing with a twinkle of humor in the eye corners... The fun is guaranteed with typically Finnish events: Finnish darts, boot throwing, slingshot competition, horseshoe throwing and walking on stilts.

Our program is very inspiring and suitable for all kinds of groups. This is an ideal way to organize a humor-filled competition day where the best ones will be rewarded.

At major events, for example, in summer-time team building days, various event tracks will be open, as an example, for a couple of hours. The best results will be written down and the most successful ones in every event will be rewarded.
