

HUNTER OF THE HUNTERS!

Hunting history at its best! Who is the Hunter of the Hunters, who performs on the prowl and who catches the prey?

The Hunters program consists of various hunting methods along the years. These include, for example, slingshot hunting, archery, blowpipe and air gun shooting.

This program is extremely exciting and it is suitable for all kinds of groups.

The best hunting (wo)men will be rewarded, however, women have really been scoring well in this field of talent.

We warmly recommend this program to enrich your meetings or seminars or to be part of your team building days!
