

POROKAARRE SAFARI - SNOWMOBILE SAFARI TO THE REINDEER FARM

Vesaisen Linna (Vesainen Castle), which is also known as the Safari House, is an old, red wooden house in Ylikiminki. The role of the house is to serve as a place of departure and service point for the events we offer. Here in Vesainen, all our guests will be equipped with uniform and high-quality gear needed for the programs.

During the Porokaarre snowmobilesafari, we will discover some beautiful desert sceneries, enjoy the peace in nature, feed some reindeers and will have some snacks while listening to the stories of some reindeer herdsman in cosy Tieva-Kammi full of atmosphere. The route is relatively easy and also well suited for beginning snow mobile riders. Some challenge is added by riding outside of the marked routes.
