You will notice how you can move on smoothly even in soft snow – **Snowy adventures are waiting for you, only a few kilometres from the Oulu city centre.**

The team spirit will get a boost by the trip in the snow. You can enjoy nature and have a talk without any office noises or without inhaling urban exhaust fumes. Our guides will lead the group to a cozy campfire and enlighten us about snow shoe walking and about various natural phenomena.

### Proper equipment

It does make a difference in snow shoe walking which kind of equipment you use, so high quality snow shoes are therefore very important. We use the TSL snow shoes which are known for their extremely high quality. Normal outfit for outdoors will be fine but Oulu Safarit will have warm overalls to offer, if needed.
