

SUMMER PARTY – THE HIT OF THE SUMMER!

Bring your team to the Oulu Safari Summer Party. Our program will start with the hilarious bed sheet volleyball. Each and every participant is in a key role as success can only be created through team play. After the volleyball cup, having fun will continue in various teams.

Groups will go through various cleverness tests which will measure both creativity and their handiness. According to the Finnish traditions, javelin throwing is just an essential part of the summer. Your brains will also get some 'food for thought'. Therefore, participants will come up with answers for the quiz requiring both wisdom and feelings.

This program set is consistent and inspiring. To top off this funny program, our guides will reward the most inventive team.
